

Customization Industrial Plastic Electrical Connector IP44/IP67 Waterproof Connector

Basic Information

Place of Origin: China

Brand Name: Golden Electric /OEM

• Certification: ISO 9001, ISO 9000, ISO 14001, ISO 14000,

ISO 20000, OHSAS/ OHSMS 18001,

IATF16949

Minimum Order Quantity:

• Packaging Details: Carton/Pallet

Delivery Time: Peak Season Lead Time: more than 12

months Off Season Lead Time: within 15

workdays

• Payment Terms: LC, T/T, PayPal, Western Union

Supply Ability: 5000/Month

Product Specification

Nominal Voltage: 220V

• Brand: Golden Electric

Feature: Safe, Durable, Timesaving
Color: White Blue Yellow Red
Rated Voltage: 110V/220V/380V/415V

• Protection: IP44/IP67/IP55

Earth Contact Position: 6h, 9hMaterial: PA66

Rated Current: 16A 32A 63A 125A

• Temperature Range: -25- +80

Transport Package: Standard Export Carton
 Specification: 2P, 3P+N, 3P+N+E

• Trademark: Golden Electric

Origin: ChinaHS Code: 8536690000

Product Description

Product Description

This kind of industrial plug is a new generation connector apparatus for power connecting, and with competitive price, has the features such as security & reliability. They are used widely in the place such as steel smelt, petrochemical processing, electric power, electronic, railway, building ground, airport, mine.

Testing & Quality Ensure

Quality is our only faith, we have a professional Research and development team and high-quality workers sparing no efforts

for pursuit of perfect production. We equip with a series of inspection devices for testing and ensuring every product we

produce is perfect .

Both the quality and performance of our products can match the international standard EN/IEC60309-2 and the national

standard GB/T11919-2001. Products have obtained international certifications, such as CE,ROHS,TUV,CB,etc.

Packaging & Shipping

Standard exporting package :Carton Customized by Your requirement with substantial quantity

Company Profile

- Golden Electric Co.,Ltd ,was foundad in 2017, we are professional for make AC and DC electric items such as isolator switch , fuse , breaker , distribution box , PV combiner box ,surge protector, Industrial plug and socket,Solar product and so on.
- Golden has been granted ISO9001 management system certifications. The comprehensive product line has more than 1000 models which have been approved by TUV,CE,CQC,SGS,ROHS,SASO. The productsells well to UK, Spain, Portugal, Singapore, Turkey, Russia, Korea, South Africa... more than 60 countries and regions.
- Golden is always striving hard to provide the best services and competitive price to all customers.

Function of Industrial Plug and Socket

1, Our products have undergone the tests under the extreme conditions such as the pesky cold and hot, dustproof, immersed

in water and so on, and they have got the certificates from relevant authorized organizations according to the international standard.

- 2, Certificates: CCC, CE, China Classification Society, ISO9001, CQC
- 3, German industrial standard DIN VDE6032, European/Inernational standard EN/IEC 60 309-2
- 4, Application: it is widely applied in the electrical Field, particularly in the steel, Chemical, electrical, absenteeism, ports, airports, oil exploration, foods, subway and other places.
- 5, Besides the waterproof and dustproof advantages, have impact-resistance, anti-aging,

Never rusting features. Also have dustproof, damp-proof, anticorrosion, flame-dustproof and anti-aging properties as well as advantages such ashigh temperature resistance, large flexibility, good impact resistance, high degree of finish, soft contact of large current and so on.

- 6, Easy to installation, plug and socket are easy to put in and out at any time and easy to turn on or off the power.
- 7, Many combined modes so that can reach the customer's demands.
- 8, The unique design and exquisite appearance can be used in any harsh environment.

FAQ

- 1. Q: Are you manufacturer or trade company?
- A. We are manufacturer and specialized in terminal block for 20 years.

2. Q: Can you make customized products and customized packing?

A: Yes.We made a lot of customized products for our customer before. And we made many moulds for our customers already.

About customized packing, we can put your Logo or other info on the packing. It is no problem.

3. Q: What about your delivery time?

A: We have a lot of products in stock. We can send the stock products in 3 work days.

If without stock, or stock is not enough, we will check the delivery time with you.

4. Q: What kind of payment do you accept? Can I pay RMB?

A: We accept T/T(30% as deposit, and 70% balance after you receive copy of B/L) L/C. And you can also pay money In RMB.

5. Q: How to ship my order? Is it safe?

A: For small package, we will send it by Express, such as DHL,FedEx,,UPS,TNT,EMS.That's a Door to Door service.

For big packages, we will send them by Air or By sea. We will use good packing and ensure the safety.

We will be responsible to any product damage caused on delivery.

Any requirements or question, welcome to "Send" us an e-mail Now!!!

It's our great honor to do services for you! You also can get the FREE SAMPLES soon.
