

Plastic Waterproof Electrical Junction Switch Box with Transparent Lid Many Different Sizes

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Golden Electric /OEM
- Certification: ISO 9001, ISO 9000, ISO 14001, ISO 14000, ISO 20000, OHSAS/ OHSMS 18001, IATF16949
- Minimum Order Quantity: 1
- Packaging Details: Carton/Pallet
- Delivery Time: Peak Season Lead Time: more than 12 months Off Season Lead Time: within 15 workdays
- Payment Terms: LC, T/T, PayPal, Western Union
- Supply Ability: 5000/Month

Product Specification

- Thickness: 1.5mm
- OEM: Available
- Surface Treatment: Powder Coating
- Structure: Protection
- Size: 20, 32, 40, 63A
- Shell Material: PC And ABS Fireproof
- Surface Finish: Power Painting
- Operation Voltage: Low Voltage
- Application Range: Home Use And Outdoor Use
- Transport Package: Standard Export Package
- Specification: Many Different Size
- Trademark: Golden Or Netural Or Customer Brand
- Origin: China
- HS Code: 8537109090
- Supply Ability: 50000PCS/Month

Product Description

Product Description

IP66 plastic junction box with clear lid

Body material: ABS

Material characteristics: Impact, heat, low temperature and chemical resistance, excellent electrical performance and surface gloss, etc.

Certificates: CE, ROHS

Protection grade: IP66

Application: Suitable for indoor and outdoor electric, communication, fire fighting apparatus, iron and steel smelting, petrochemical industry, electron, power system, railway, building, mine, air and sea port, hotel, ship, works, waste water treatment equipment, environmental equipment and so on.

Installation: 1. **Inside:** There are the installation holes in the base for circuit board or din rail.

2. **Outside:** The products can be directly fixed on the wall or other flat boards with screws or nails via the screw holes in the base.

Outlet hole: Cutting a hole in the PVC stopper as related cable size or installing cable gland to get better waterproof performance.

Details

The sealing ring is high elastic and corrosion resistant. So the box has better waterproof and dustproof property.

There are brass nuts inlaid in the mounting columns. So they make the mounting columns more sturdy. And there are auxiliary mounting columns for customer's choice.

Professional plastic screws can't be rusty. The unique drop-proof design avoids the screws missing problem.

Waterproof grade IP66

Holes can be opened on the box as customer's requirements. We can provide processing and opening holes services.

There are two installation methods:
1. There are the installation holes in the base for circuit board or DIN rail.
2. The products can be directly fixed on the wall or other flat boards.
