

## Cn101A 24 Hours Programmable Digital Timer Switch with Customized Request Panel Mount

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Golden Electric /OEM
- Certification: ISO 9001, ISO 9000, ISO 14001, ISO 14000, ISO 20000, OHSAS/ OHSMS 18001, IATF16949
- Minimum Order Quantity: 1
- Packaging Details: Carton/Pallet
- Delivery Time: Peak Season Lead Time: more than 12 months Off Season Lead Time: within 15 workdays
- Payment Terms: LC, T/T, PayPal, Western Union
- Supply Ability: 5000/Month

### Product Specification

- Model NO.: GD-CN101A
- Internal Battery: 1.2V40mA(Rechargeable Battery)
- Exterior Dimension: 60×60×36mm
- Mounting Way: Panel Mount Digital Timer
- Time Error: ≤1s/24h 25°C
- Display Device: LCD
- Working Voltage: 220-240VAC 50~60Hz
- Timing Range: 1 Minutes To 168 Hours
- Transport Package: Standard Export Carton
- Trademark: Golden Electric Or Customize
- Origin: China
- HS Code: 8543709990
- Supply Ability: 5000/Month
- Protection: Waterproof
- Certification: ISO9001, CE

## Product Description

### Product Description

CN101A timer switch can open or close kinds of electrical apparatus and power automatically, according to preset time, the items can be streetlight, nion light (sign), billboard, electrical appliances, broadcast equipments etc, the digital timer switch is within rechargeable battery, in 1.2V/40Ma, high-accuracy CMOS chip, strongly anti-jamming, easy to use.

### Detailed Photos

### Product Parameters

#### Features:

100% Brand New and High Quality

The panel-mount digital timer series can be operated in 4 separate power supplies, ranges from 240V AC to 12V DC, output format can be produced to be volt-free or voltaic-output

The digital timer is accurate to the minute, hour, days, designed with either 17 ON/OFF (event) per day

Provide 15 combination of daily programs which can lead great convenience to user upon choosing the required days in a week for operation the time

Advanced pre-setting one week before, digital electronic timer switch with daily and weekly programs

Repeat programs with 17 on/off setting and manual override lithium battery power reserve when electric supply cut off

Regular Voltage: 220V/50-60Hz

OEM Voltage: 12V,24V,36V,48V,110,380V/50-60Hz DC

Control output: 16A, It can also be expanded to control the use.

Setting times: 17 times (day/week)

Setting time: 1 minute to 168 hours

Error: 1s/24h

Power failure memory: 180days (built-in 1.2V chargeable battery)

Outside dimension: 60x60x32mm

Voltage Range                      220V 50Hz   on off switch

Voltage scope                      85%~110%

Capacitance Resistance Load 16A

Consumed power                      <5VA

Timing Control Range                      1min~168h

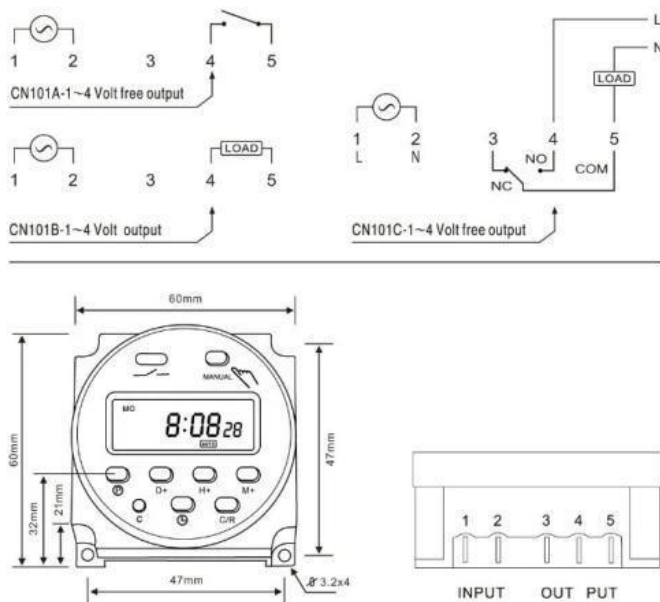

Timing error                      <±2s/day(25°C±1°C)

Temperature                      -10°C~+50°C

Relative Humidity                      <95%

Dimension                      120×72×50mm

Weight                      210g

#### Detailed introduction:

Pannel mounted

Advanced pre-setting one week before

Digital electronic timer switch with daily programs

Repeat programs with 17 on/off setting and manual over-ride

Lithium battery power reserve when electric supply cut off

Auto timer error correction  $\pm 30$ sec,weekly

Switching current ac

#### Notice:

Shown on the Instruction Manual is "12V Wiring diagram"

The "POWER" should to connect DC 12V power. Never connect any other power on. The other side can depending on your need

If want to connect 110V electrical equipment. Wiring is depending on "0-250V Wiring diagram"

No matter which Wiring diagram. The "POWER" only allow to connect DC 12V power

Power"~" is not meaningful, custom-made voltage is DC12V

#### Other Hot-Selling Models

Q1: Are you a factory or trading company

A1: We are a factory, we can guarantee our price is first-hand, very cheap and competitive.

Q2: How does your factory do regarding quality control?

A2: All the products will be 100% checked before the shipment

Q3: When can I get the price?

A3: Usually we quote within 24 hours after we get your inquiry.

Q4: How could I get a sample?

A4: if you can not buy our product in your local area, we will ship a sample to you. You will be charged a sample price plus all related shipping costs. Express delivery charge depends on the quantity of the samples.

Q5: What is the price of shipping?

A5: Depending upon the port of delivery, prices vary.

**Any more query please contact with us, thank you!**
