#### Product Description

Terminal connector is the circuit is blocked or isolated circuit between the erected communication bridge, so that the current flow, the circuit to achieve the intended function.

Terminals in the transmission of electrical signals and conductive connection has played a role, thereby reducing the workload and production costs of consumption, to the production and use has brought a lot of convenience, to avoid a lot of trouble. So as to achieve the purpose of simplifying the product structure and saving the manufacturing cost.

#### **Product Features**

Return-pulling type spring terminal can be installed on NS35 U-type

Flexibla in sert pull type bridging component system Maximum wiring capacity Clear mark system Wire-crossing groove is installed adjacently to terminal

row,which can make full use of space of electric cupboard, heighten wiring density, provide good angle for watching wiring position and simplify wiring operation.

#### **Company Profile**

- Golden Electric Co.,Ltd ,was foundad in 2007, we are professional for make AC and DC electric items such as cable gland,MC4 Connector, isolator switch , fuse , breaker , distribution box , PV combiner box ,surge protector, Indicator lamp,Solar Charge Controller,Industrial plug and socket,Meter Socket,Wind Turbine, Terminal Block,Solar product and so on.

- Golden has been granted ISO9001 management system certifications. The comprehensive product line has more than 1000 models which have been approved by TUV,CE,CQC,SGS,ROHS,SASO. The productsells well to UK, Spain, Portugal, Singapore, Turkey, Russia, Korea, South Africa... more than 60 countries and regions.

- Golden is always striving hard to provide the best services and competitive price to all customers.

FAQ

A:Golden electric is The top 10 manufacture in China - more than 350 Agents in local market and more than 100 foreign clients make OEM,ODM order from us,Golden electric is a big company, we have cooperation with LS, EKF the world-class companies. Our company over 100 employees, products pass CE,IEC,TUV,SAA, RCM, ROHS certificates. 2) Q:Your products?

A: Golden electric is factory for Automatic transfer swithc, Surge protector device, distribution box Enclosure, inverter, DC fuse etc. Providing customers very competitive sources, and can be your sourcing agent in China. Goods are following international standards, IE, CE, ISO9001, SGS etc.

3) Q: Do you have forwarder?

A: Yes, we have good forwarder cooperated over 10 years, they help us import and export . For small package orders, suggest to use by Express.

4) Q: Your address ?

A: Locates in Guangzhou province, China, welcome to visit us

5) Q:What's the Terminal Block guarantee?

A: 2 years warranty. If customer's problem, then customer burden. If our problem, then we send new goods to customer to replace asap.

- 6) Q:What's about MOQ? Delivery time ?
- A: 1pcs for Terminal Block.
- 7) Q: What's the payment term?

A: Normally 100% T/T in advanced payment. If big order then about 50% advanced payment, balance before shipment.PAYPAL,WESTERN UNION,CASH for small order .

8) Q:What's your contact information ?

Please don't hesitate to contact us if you have any questions. Send us your inquiry! We would try our best to meet your demand.
