

## ISO9001 Certified Round Stainless Steel Ground Rods for Electrical Equipment Grounding

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Golden Electric /OEM
- Certification: ISO 9001, ISO 9000, ISO 14001, ISO 14000, ISO 20000, OHSAS/ OHSMS 18001, IATF16949
- Model Number: Blj-Se
- Minimum Order Quantity: 1
- Packaging Details: Carton/Pallet
- Delivery Time: Peak Season Lead Time: more than 12 months  
Off Season Lead Time: within 15 workdays
- Payment Terms: LC, T/T, PayPal, Western Union
- Supply Ability: 5000/Month

### Product Specification

- Max Length: 1.8 Meters
- Material: Stainless Steel 304,316,201
- Tensile Strength:  $\geq 520\text{N/mm}^2$
- Straightness Error:  $\leq 1\text{mm/M}$
- Application: Protecting
- Certificate: ISO9001
- Quality: 100% Tested
- Tensile Life:  $\geq 30\text{years}$
- Size: Customization
- OEM&ODM&ISO: Yes
- Transport Package: Ocean Freight Woven Belt+Iron Pallet+Container
- Specification: Different Sizes And Specifications
- Trademark: Golden Electric Or Customize
- Origin: China

## Product Description

### Company

#### Profile

GoldenElectricCo., Ltd.

is professional make of Electrical products .Such as distribution box, waterproof plug, socket, wall switch, waterproof plastic ,Aluminum box ,Changeover Switch and disconnecting switch,MC4 Connector.isolator switch.fusebreaker.distribution box,PV combiner box .surge protector, Indicatorlamp,Solar Charge Controller,Industrialplugandsocket,BusbarInsulator,Meter Socket,Wind Turbine, Terminal Block,Solar product and so on. all products comply with IEC, A S/NZS standard. passed CE, IP66, ROHS certificates.at present we have exported to many countries and have serve these customers with professional electrical solution.

### Product Description

#### Stainless Steel Anti Corrosion Grounding Rod

Material	SS304,SS201,SS316,SS316L
Tensile strength	≥520N/mm <sup>2</sup>
Straightness error	≤1mm/m
Service life	≥30years
Diameter	according to customer's requirement
Function	Used in grounding and lightning system
Type	Threaded or flat or pointed
Accessories	Coupling,Driving head ,Drill
Available service mode	OEM,ODM
Certificate	ISO9001:2015,CE,SGS

#### Negotiable Price According to different material/size and and Purchase quantity

304 stainless steel ground rods can be used for the geological conditions are relatively poor power plants, substations, line towers, communication base stations, airports, railways, oil refining plants, oil storage and other places of lightning protection and grounding, anti-static grounding, protective grounding, work grounding and so on.

The model has two bell:

1. single grounding rods; a tip of a flat, laid directly.
2. combined grounding rods; two with thread, by laying the ground rod connector body can determine the length of the ground according to soil conditions and ground resistance requirements of any.

stainless steel ground rods is used for earthing system of power plant, transformer station, tower, communication station, airport, railway, subway station , high building, computer room, petro plant, oil reservoir in the environmental of moist , saline and alkaline, acid and chemical corrosion medium environmental.

#### PRODUCT ADVANTAGE

1. good anti-corrosion: 304 stainless steel suitable for acid and alkali environment, with strong corrosion resistance under normal soil conditions, the service life of up to 30 years;
2. good mechanical properties: 304 stainless steel has excellent tensile properties;
3. adapt to the complex working environment: 304 stainless steel can work in high temperature cold regions, had little impact on the ground resistance change;
4. easy to install: suitable for mechanical and manual installation and the installation cost is low;

PV DC Solar Lightning SPD Surge Protector Protective Device Industrial

New Type Connector for Waterproof

Low Voltage Busbar Insulator

AC MCB Miniature Circuit Breaker

## Packing & Delivery

Packaging Details: woven belt+Iron pallet+container

Lead time:

Quantity(pieces) 1 - 1000 >1000

Lead time (days) 15 To be negotiated

## FAQ

Q1: Are you a factory or trading company

A1: We are a factory, we can guarantee our price is first-hand, very cheap and competitive.

Q2: How does your factory do regarding quality control?

A2: All the products will be 100% checked before the shipment

Q3: When can I get the price?

A3: Usually we quote within 24 hours after we get your inquiry.

Q4: How could I get a sample?

A4: if you can not buy our product in your local area, we will ship a sample to you. You will be charged a sample price plus all related shipping costs. Express delivery charge depends on the quantity of the samples.

Q5: What is the price of shipping?

A5: Depending upon the port of delivery, prices vary.

**Any more query please contact with us, thank you!**
